

A scenic view of a Kentucky farm. In the foreground, a paved road curves along a grassy bank next to a pond. A white fence runs along the road. In the middle ground, a large white barn with a dark roof stands on a grassy slope. A white picket fence surrounds the barn. A large, leafy tree is in front of the barn. In the background, rolling green hills are visible under a clear sky. The text "PRIDE OF KENTUCKY" is overlaid in white serif font at the top, and "GREAT RECIPES WITH FOOD, FARM, AND FAMILY TRADITIONS" is overlaid in white serif font below it.

PRIDE OF KENTUCKY

GREAT RECIPES WITH FOOD,
FARM, AND FAMILY TRADITIONS

PRIDE OF KENTUCKY

Great Recipes with Food, Farm, and Family Traditions

About the book

- Designated the "Official Cookbook of the 2003 Kentucky State Fair"

Partners and Sponsors

The Pride of Kentucky book is a partnership project of the **University of Kentucky Cooperative Extension Service** and the **Kentucky Department of Agriculture**. The book was compiled by members of the **Kentucky Extension Association of Family and Consumer Sciences**, a professional development organization of county extension agents and associates who work in the 120 counties throughout the state.

Purchase Information

The Pride of Kentucky book retails for \$27.95 plus tax. An order form is available at the Web site listed below. The book is also available at all 120 Cooperative Extension Service offices throughout the state at a 16 percent discount price of \$25.00 (\$23.58 + \$1.42 sales tax).

Proceeds from Sales

Proceeds from the sale of the book will be used to establish an educational endowment through the non-profit Kentucky Extension Association of Family and Consumer Sciences. This will provide long-term financial support and incentives for strengthening partnership consumer education programs.

Additional Information

For additional information, visit Web sites www.prideofkentuckybook.com or www.prideofkybook.com. Kathy Jump at (270) 586-4484 can discuss volume sales.

PRIDE OF KENTUCKY is produced by the University of Kentucky Cooperative Extension Service and the Kentucky Department of Agriculture.
